

Lesley Dunn from **Inclusion Nova Scotia**, and **Kim Neale** from **Distinctability, Brain-in-Hand**, cordially invite you to the launch of

THE NOVA SCOTIA INCLUSIVE EMPLOYMENT COLLABORATIVE (NSIEC)

Friday February 25th, from 1 pm to 2:30 pm

Featuring guest speakers **Donald Guse Salah**, Program Manager, Discover Ability Network, Ontario Chamber of Commerce and **Angela Hoyt**, CEO and Founder of Evolution Group.

NSIEC is a unique and forward-thinking initiative in Nova Scotia's employment landscape designed to fill labour market needs. The network is volunteer driven and there is no cost to participate. We hope you will consider joining us as a collaborator.

Nova Scotia has a vast untapped labour pool that continues to remain underutilized due to imposed barriers and unconscious bias. Join us to learn how a network of individuals, organizations, and service providers who are invested in employment and full community inclusion can collaborate to deconstruct the hiring ecosystem, **ensuring everyone has access to fair and sustainable employment.**
